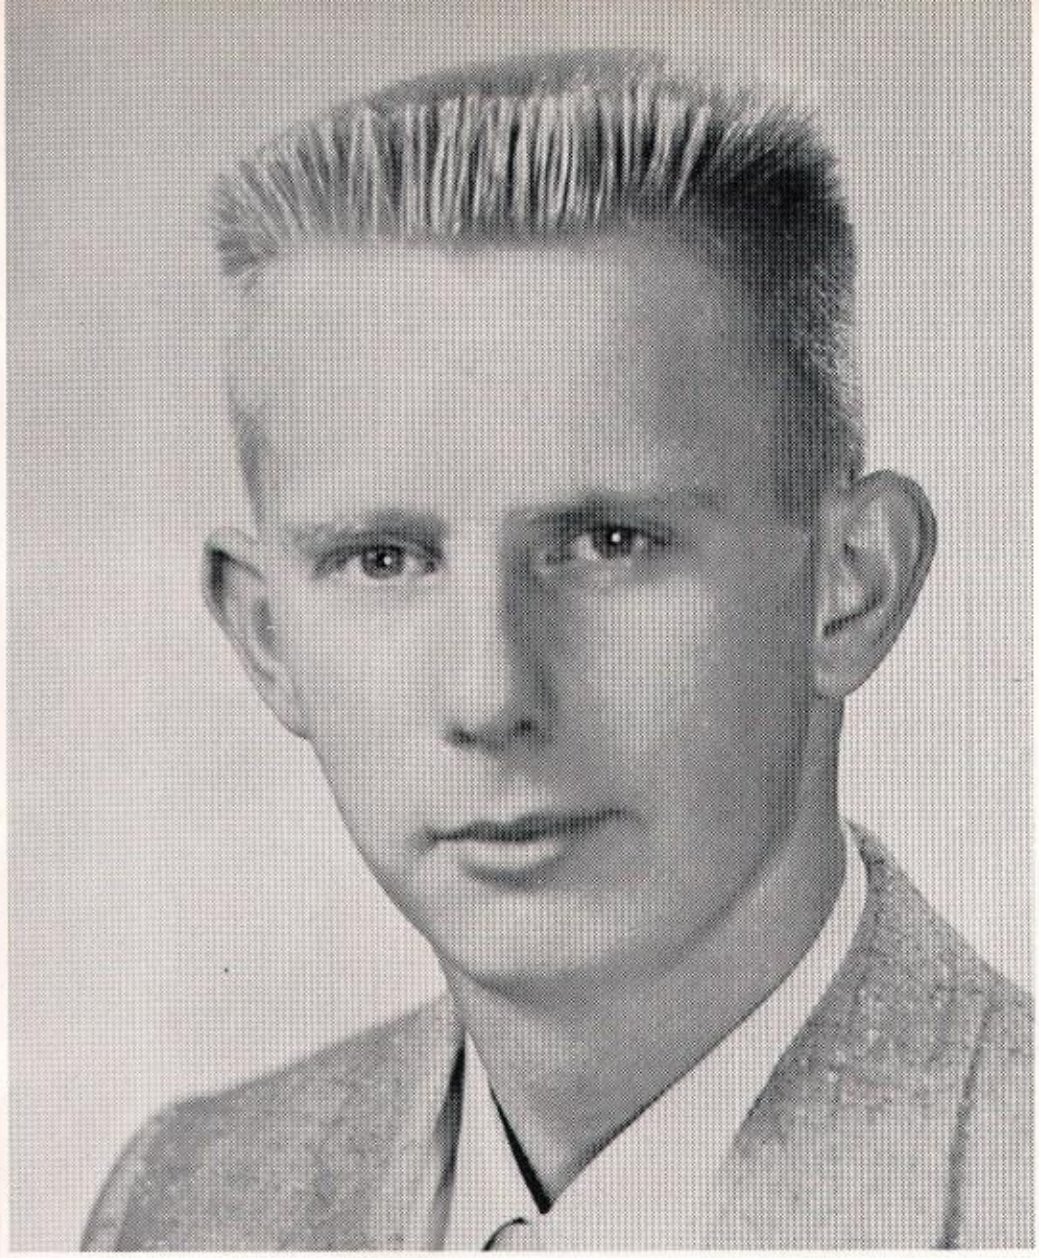
Betty hopes to attend a teachers' college and leave all her homework behind her for good.



DAVID BISHOP

Bish, as he is known, is one of the best auto-mechanic students in the class. If you were to walk down the hall and hear someone say, "No, but thanks for asking", that's Bish. His hobbies include; music, working on his car and sports.

Dave played baseball in his freshman and sophomore year and has been a member of the school band all through high school.

Bish likes dances and parties and there is no one that is more fun at a party than Dave. His dislike is a common one - homework.

Class History

On September 3, 1946, forty-four bewildered and unsure boys and girls walked up the steps of Peterborough Central School to start their long, upward climb through twelve grades of school. This was a most enjoyable year with Mrs. Crittsinger as our teacher. The highlight of this first year was our May Day Program held at the Town House. Bonnie Bunce was chosen Queen with Dianne White and Katherine Wilder as her attendants and Kenneth Davis was chosen King. We were happy to receive our promotion cards in June and were already looking forward to September, feeling secure and much older.

Starting with the second grade, our class was divided into two groups, due to the fact that the enrollment was so large. With reading, writing and arithmetic as our theme, we sailed through five years in the Central School Building. Some of our most treasured memories of these years are recalling Mrs. Kendall, our third grade teacher bringing her dog to school, moving upstairs to the fourth grade and our Square Dances in music class in the fifth grade.

Upon entering the sixth grade, we found ourselves in the high school building, once more feeling bewildered and unsure. Our teachers that year were Miss Saunders, Mr. McAdam and Mrs. Fontaine.

On September 3, 1952, we entered Junior High School as seventh graders and welcomed many Greenfield students to our class. We had a part in the Student Council and chose as our representatives, Elizabeth Wheeler, Butch Farhm, Nancy Emond and Bruce Russell. We closed our seventh year with a Field Day held at Adams' Playground supervised by Mr. Johnson, Mr. Trubiano and Mr. Snow. Ribbons were awarded to students who achieved in different sports.

In September, 1953, we entered the eighth grade. The most happy event that year was a field trip to Fogg Museum and Harvard University in Boston. In June, we had a graduation and received diplomas. Also Liz Wheeler and Butch Farhm received the Good Citizenship Award. We all attended a party that evening at Elizabeth Wheeler's.

The Class of "58" was very proud to start it's high school career as Freshmen in September, 1954. Mrs. Craig and Mr. Whelan were our Class Advisors and our class officers were: President, Butch Farhm; Vice President, Susan Boyle; Secretary, Elizabeth Wheeler, and Treasurer, Janet Knight. We had thirty-three out-of-town students that year with a total enrollment in the class of seventy-seven - the biggest class P. H. S. has ever had. Our first social event was the traditional Freshman Reception sponsored by the Seniors to initiate us into high school. We were represented on the Student Council by David Blanchette, Joyce Paine, Butch Farhm and Gerry Abbott. David Bishop played in the school band and Bonnie Bunce and Liz Wheeler made the Girls' Basketball Team. In June, we looked back on the year, remembering the disturbances in French Class and our struggle to pull through.

On September 7, 1955, we came back to Peterborough Consolidated School (the name was now changed from Peterborough High to Peterborough Consolidated) as Sophomores, with Mr. Whelan and Mrs. Craig again to see us through as Class Advisors. Peggy Buckley came back to our class that year after attending Our Lady of Monadnock School for one year. We elected as our officers: President, Francis Shields; Vice President, Peggy Buckley; Secretary, Rita Ludwig and Treasurer, Gerry Abbott. Elizabeth Wheeler was our lone representative on the Student Council. Looking back on our Sophomore year, we recall the big moment of getting our class rings.

September 5, 1956, found us entering P. C. S. as Juniors - one step nearer our goal - with Mrs. Craig to advise us. Our class officers were; President, Gerry Abbott; Vice President, John Bunce; Secretary, Susan Boyle and Treasurer, Butch Farhm. We were represented on the Student Council by Rita Ludwig, Liz Wheeler and Gerry Abbott. That year we welcomed three new students to our class - Trudy Lenane, Carolyn Clukay and Kasiani Hatzivasillion who came to our class from Greece. The Junior girls went to the Ice Capades in Boston with Miss Crossman. Our big social event was our Junior Prom held in the Gym on May 25th with "Fantasia" as our theme and Dick Fenno's Orchestra furnishing the music. In June, we had Achievement tests to see if we were ready to go on as Seniors. We were! We ended that year with a Going-Away Party for the teachers which was held at the home of Pat and Paula Daly.

On September 4, 1957, back we came, but this time as Seniors - our goal almost reached. Miss Hancock and Mr. Savage are our Advisors to help us through this most important year. At the time this history is being written we are patiently waiting for our class pictures, which were taken in October, to come back. Plans are underway for the Senior Ball to be held on January 18, 1958, and we are hard at work on our Washington Trip. Our Senior Play is behind us and was a big success with the cast consisting of: Patricia Hanson, Carolyn Clukay, Joyce Paine, Raymond Kendall, John Bunce, and Sandra Howard. Our class officers and representatives on the Student Council you will find elsewhere in this, our Senior Yearbook. In June, we hope to walk down the aisle as graduates and will look back with the fondest memories of our years at Peterborough Consolidated School.

Class Prophecy

The other day I received a letter from Mr. Abbott, our former class President, and he asked me to try to contact all our classmates for our 20th class reunion. Jerry is now trying to put a bill through Congress to make Older Boys Conference compulsory to all boys of high school age. Guess his pleasant experiences must have rubbed off on him. I immediately drew up a list of all my classmates and here's what turned up after I got all the replies back:

Betty Babneau has just made a startling discovery in child psychology; she lets her first grade pupils conduct class.

David Bishop, who could always be found supervising Dave Boutwell's bulldozer driving, is still doing this. Dave Boutwell now is part owner of Mercer's here in town.

Next on my list was Dave Blanchette. After being in the Marines out in California, Dave has come back to specialize in the field of masonry. I understand Dave has recently discovered a new flexible cement block and is planning to build a circular Pentagon.

A note came from Susan Boyle and she said she couldn't possibly make the reunion as she is now cheerleading instructor at Columbia University and there's a lot of work to do.

Peggy Buckley plans to make the reunion even if she has to close her Speech School. She teaches people to talk so fast no one can understand them.

Bonnie Bunce is now Secretary of the Navy and is doing very well.

John Bunce has become a very successful farmer and just won a $100,000 prize for growing the largest ear of corn in history. That's understandable as John was always rather corny.

Joan Cashion has the job as secretary to Kenny Reed who is head of the Protective Bachelor's Association. Also doing secretarial work is Sylvia Church who is Dr. Trudy Lenane's private secretary in China. Incidentally, Dr. Lenane has just discovered a cure for warts.

Gene Clark was hard to get in touch with as he is a leading make-up artist in Hollywood. He and Jimmy Hadley own a huge mansion in Hollywood and Jimmy is the well known chocolate cake baker.

Carolyn Clukay has just been voted Woman of the Year because of her recent invention of a new boat bus called "Dublin Cruiser."

The former Faith Cochran wrote to me and said the only possible way she could get to the reunion would be to leave her husband home with all the kids. Foolishly I asked her why not bring the kids and she replied, "all ten of them?!!"

Dawna Curry wired from France where she's a famous designer and model, to say she'd be only too glad to come to the reunion. She said she'd relay the invitation to Paula Daly who is an airline hostess in French Morocco.

Kenny Davis plans to attend our class reunion if he can get that car of his up the hill. Yup. He's still driving the same old thing.

Butch Farhm's parents called to express their regret that Butch won't be able to make the reunion because he was playing golf and stumbled over one of his divots and broke his leg.

Joe Ferry, a Math Professor at U. N. H., said he'd give Jean Glazier, a Professor in literature at U. N. H., a ride. Professor Glazier just completed a new book titled "How to Win Friends and Influence History Teachers."

David Glynn and Bob Stahl have gone into the soda fountain business and have just issued a new recipe for "graveyards." Pat Hanson, who is married now, is their head waitress, and Flora Smith her assistant.

Kasiani, one of our best liked classmates, is head of the U. N. and has done much to cement world relations.

Russell Holt has bought a punching bag company and is doing well.

Sandra Howard is a head mathematician, working for the government, and there's been rumors that she's playing the numbers on the side.

Raymond Kendall was another one whom I couldn't get in touch with as he's honeymooning with his fifth wife. I understand her initials are B. B.!!

Janet and Janice Knight are still together and are doing U. S. O. shows all over the world. Leave it to the Knights to find the service men.

Louise Laferriere has just revised an old song which is now number 1 on the song list, "Every Little Breeze Whispers Louise."

Bill Lindsay, the singer of all singers, is now doing the new Maypo ad in T. V. As he's in New York, he's going to see Rita Ludwig and tell her about the reunion. Rita, by the way, runs a chain of restaurants and eats to her heart's content.

Mary Ann MacNutt and Judy Sharby, who studied hairdressing, are now part owners of a beauty salon. I hear they're in the Near East giving permanents to the Arabs.

Joyce Paine will surely make the class reunion as she is now a nurse and secretary to a handsome redheaded doctor here in town.

Sydney Rainey, who journeyed to U. N. H., is now following in her father's footsteps and has just discovered a new breed of chickens.

John Robertson is also farming and has recently married Miss America. Some people get all the breaks!!

Marilyn Robinson sent a telegram saying she'd make the party for sure. She's now married to a millionaire and has several children.

Bruce Russell is also coming. He plays for the World Travelers Basketball team and has just perfected the new continuous dribble method.

Francis Shields and Pat Daly, as everyone knows, have just started a new T. V. show and it's called "Same and Pat's Happy Hour!!"

Kenny Simonetta has just written a new song "C'est Moi" which is well on its way to being a hit.

Mickey Sullivan is another classmate who went to California. He is the highest paid actor in the world now because of his brilliant performance as John L. Sullivan.

I sent a wire to Timmy Varnum who has settled in Turkey and has the largest harem in history. I don't think he'll make the reunion.

Dianne White has made great strides in the field of electronics. Guess living next to that power plant rubbed off on her.

Kathy Wilder, strangely enough, owns a pea soup factory and says she'll bring enough soup for everyone.

Gary Woodward has returned to Dublin to settle down after spending the past 10 years in the Foreign Legion.

Guess that just about brings me to the end of the list. Oops forgot one! Liz Wheeler has just made a startling discovery. She invented a capsule which takes the place of 3 meals a day so that a busy housewife like herself can find time to write letters to all her classmates.

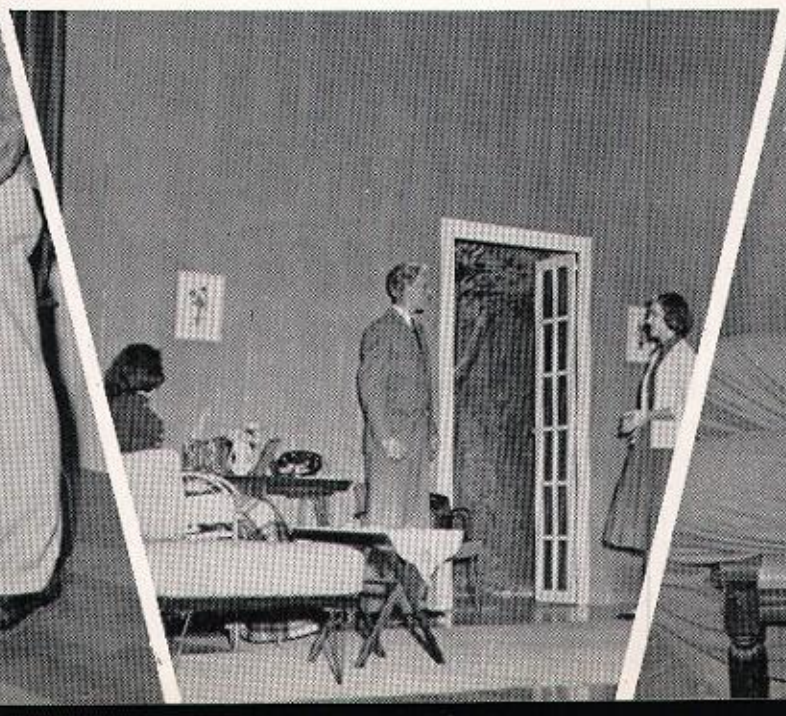
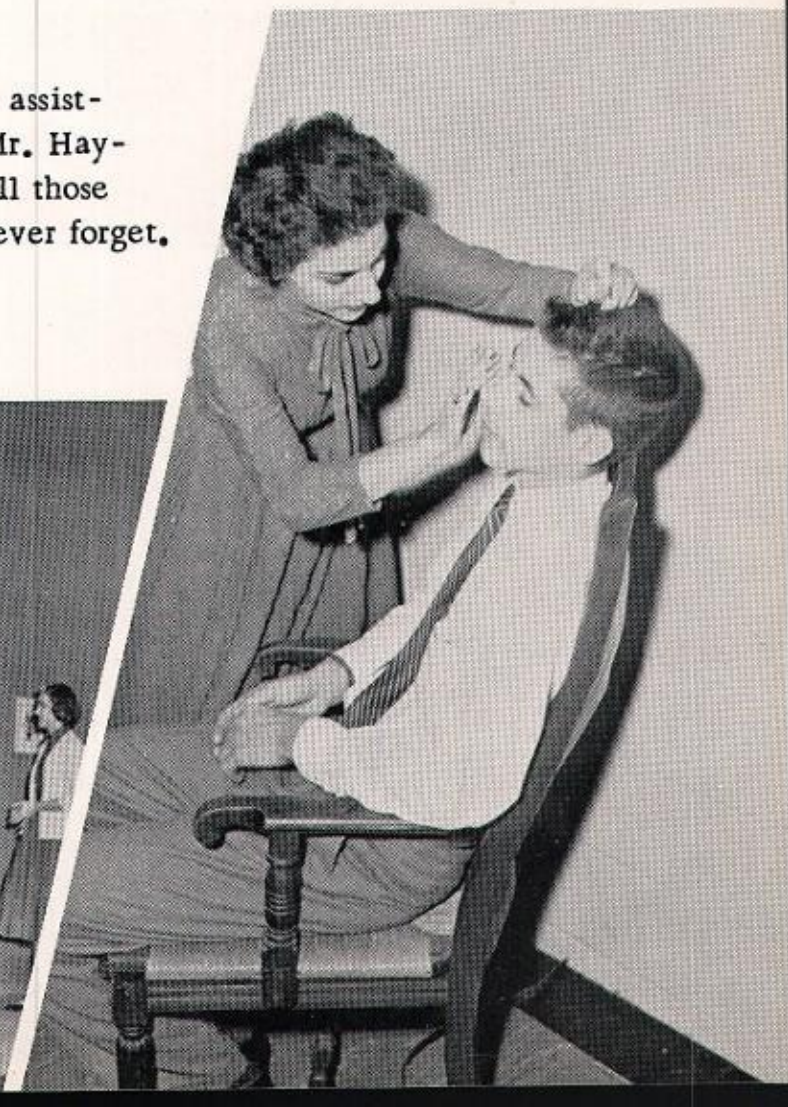
Senior Play

On November 20, 1957, the Senior class presented the "House on the Cliff," a three-act mystery comedy by George Batson. The curtain rose at 8:00 P.M. finding Pat Hanson and John Bunce on stage. Pat portrayed Ellen Clayton, a lovely, fragile, young woman in her early twenties; John, a middle aged doctor with considerable polish and good looks. From the French doors came a dignified woman and the mistress of the house characterized by Carolyn Clukay. Joyce Paine appeared as Miss Pepper, a vivacious nurse who added much life to the play.

Raymond Kendall played the part of Doctor Phillips, who was the proverbial "bad guy" of the play. Sandra Howard was Jenny the cook-housekeeper. Her dramatic fall from the bookcase was the high point of the play.

Directed by Mr. David Nims and his assistants, Miss Cristaldi, Mr. Howard and Mr. Haywood, it will be long remembered by all those concerned as an experience they will never forget.





1957

Junior Prom

On May 26, 1957, we held our highly successful Junior Prom. The decorations, under the direction of Rita Ludwig, provided the theme of "Fantasia." Nancy Perkins was queen with Susan Boyle and Rita Ludwig as aids. The splendid music was supplied by Dick Fenno's Orchestra.

1958

Senior Ball

Highlight of 1958 was the Senior Ball which was held on January 18th. The blizzard-like weather caused no lack in attendance. Music was provided by the Dick Fenno Orchestra. The skaters on the walls, the stars hanging from the ceiling, and the horse and sleigh combined to form the theme of "Winter Wonderland." Trudy Lenane was chosen to reign as queen for the night. After the dance all the Seniors attended a party held by Dawna Curry at the Peterson's.

The 1957-1958 Hilander Basketball Team had a schedule of sixteen games; P.H.S. was victorious in five.

In what proved to be one of the best games of the year, the Hilanders were defeated by Milford. The game, which was at Peterborough, was the second game of the season and provided the visiting team and our supporters with an idea of the potentiality of our team and the kind of ball the Hilanders were capable of playing.

Coach Richardson finally came up with the combination of Bob Boudrieau, Center; Dave Blanchette, Left Forward; Jerry Earley, Right Forward; Captain Gerry Wheeler, Right Guard; and alternating Butch Farhm and Ronnie Florre at Left Guard.

Because this year's team has been so strongly backed by juniors, next year's team will be one to look forward to. Dave Blanchette and Butch Farhm were the only senior regulars. If J.V. material is forthcoming, as in the past two years, basketball should become a major sport again at Peterborough.

Many thanks should be given to Coach Richardson for all the extra time that he devoted to the team.

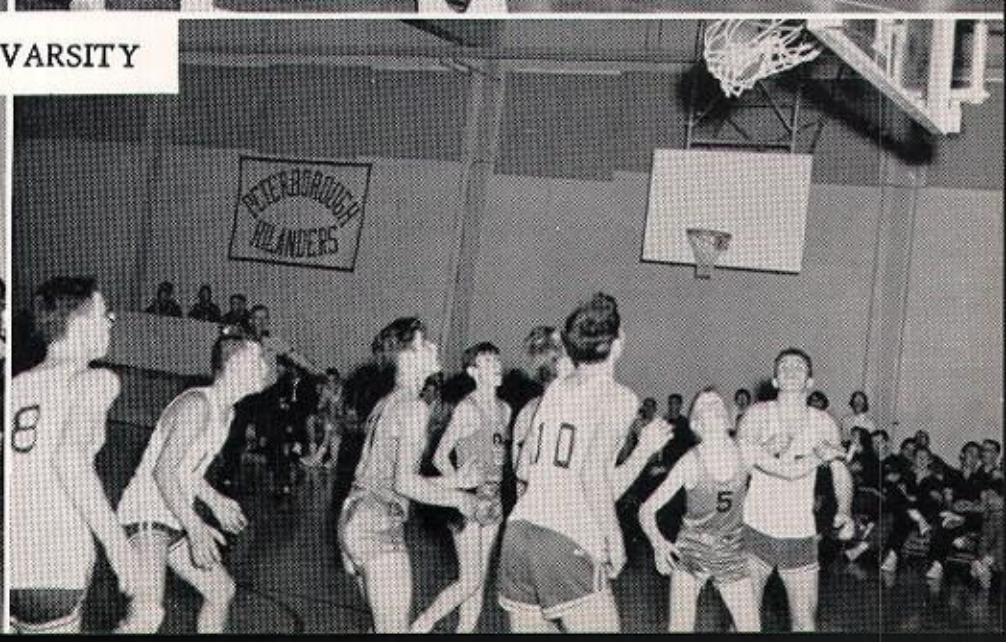
JUNIOR VARSITY



Girls' Varsity Basketball

First row, left to right: Assistant Manager P. Daly, Coach Crossman, Manager E. Wheeler. Standing: S. Sargent, J. Stewart, S. Rainey, D. Wilder, P. Buckley, G. Estona, J. Knight, J. Paine, S. Church, J. Rajaniemi, K. Raisanen, D. Carpenter.

The Girls' Varsity Basketball Team, under Miss Crossman's capable coaching, had a fair season. The team consisted of Seniors: Sylvia Church, Sydney Rainey, Janice Knight, Peg Buckley, and Jouce Paine; Juniors: Joann Rajaniemi and Diane Wilder; and Sophomores: Kathy Raisanen, Jane Stewart, Diane Carpenter, Gwenne Estona, and Sue Sargent. Liz Wheeler and Paula Daly, both seniors, were the managers. Besides the interscholastic games, the varsity played a game with the challenging cheerleaders.

With a good percentage of the varsity being underclassmen, chances are favorable for a more successful season in the year ahead.

Cheerleaders

Coach Ingalls. Standing, left to right: C. Baker, M. Nichols, S. Boyle, R. Ludwig, Captain P. Shea, J. Picard, B. Wheeler, G. Rajaniemi, D. Earley, N. Stockwell.

This year's spirited and peppy cheerleading squad consisted of nine girls: Peggy Shea, Captain, in her third year; Rita Ludwig, Co-Captain second year; and Susan Boyle, Secretary-Treasurer, second year. Also in their second year were Judy Picard, Margie Nichols, Carol Baker, and sub Bonnie Wheeler; and in their first year: Jerry Rajaniemi, Nancy Stockwell and Dotty Earley.

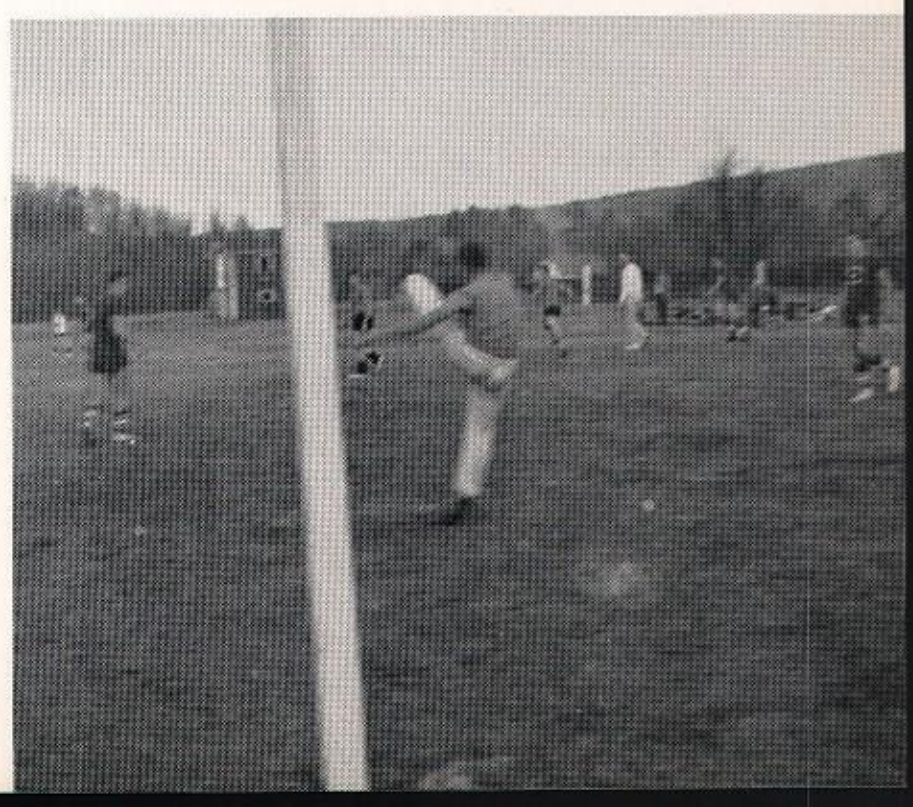
They attended every game, played by Peterborough, and under the able coaching of Miss Ingalls, produced some peppy new cheers.

In their gay tartan plaids, the cheerleaders gave a true picture of the Hilander spirit.

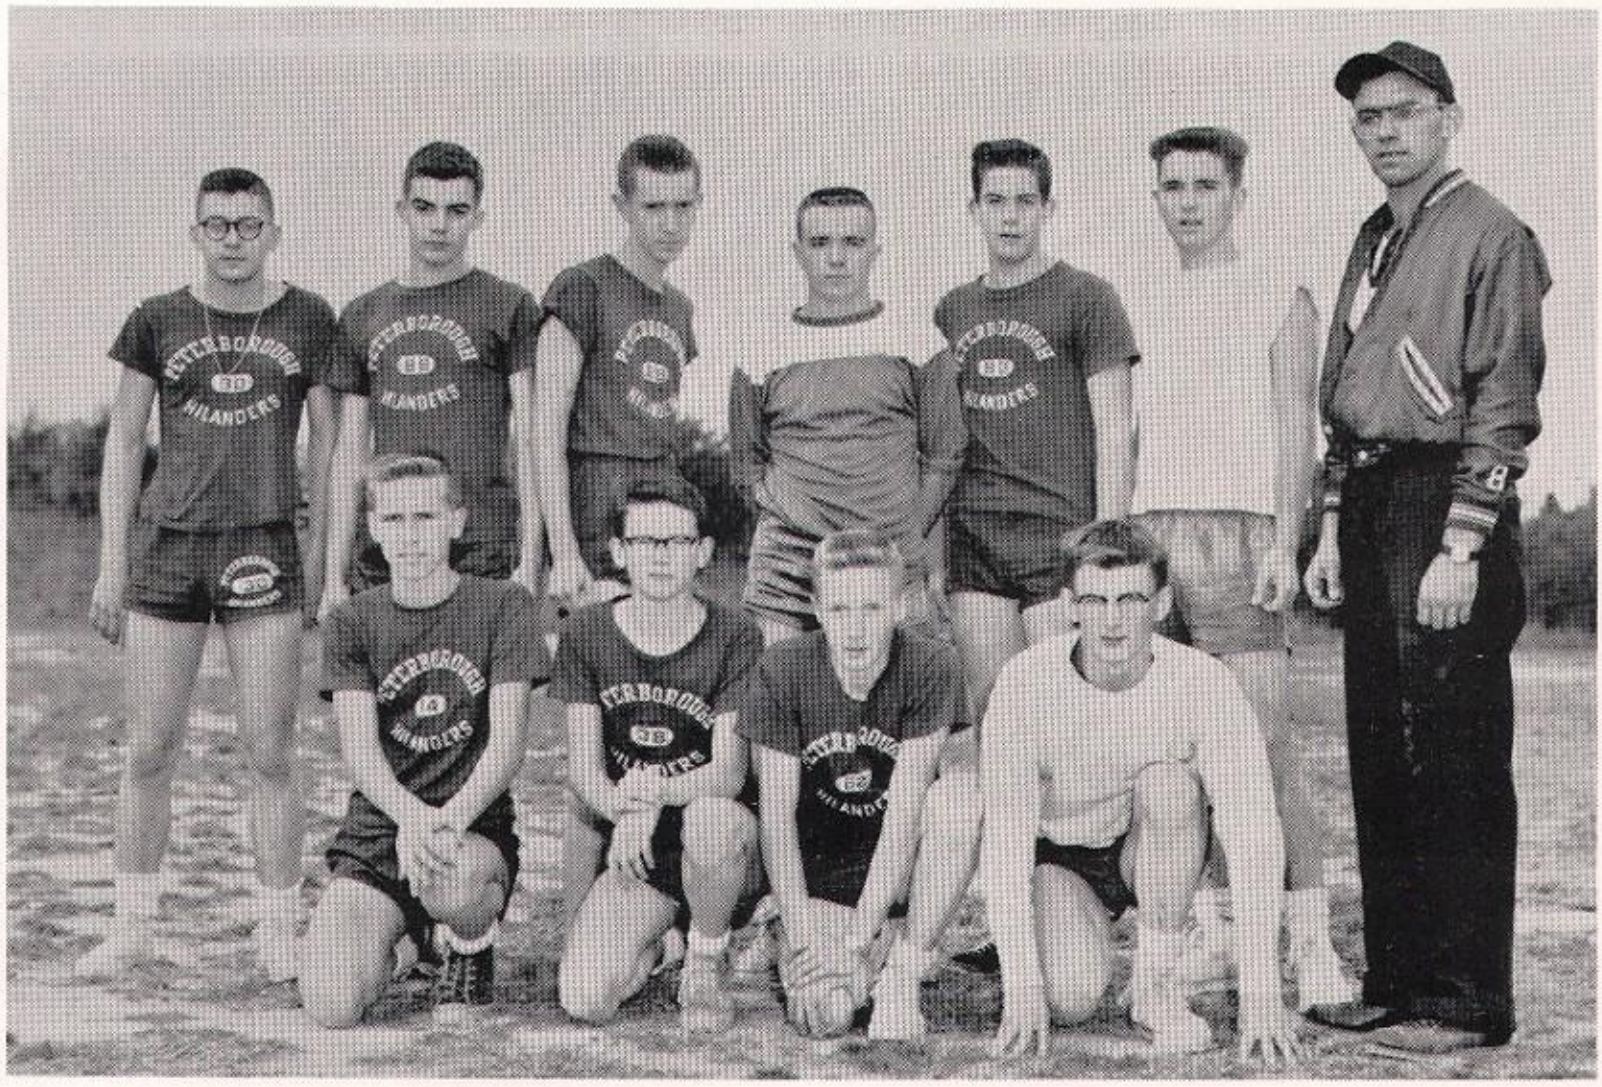
Soccer

First row, left to right: D. Church, J. Murray, W. Whitney, B. Russell, G. Wheeler, G. Early, M. Lowe, Coach W. Richardson. Second row: J. Keenan, R. Russell, R. Perkins, J. Burke, R. Lowe, G. Shea, S. Little, R. Cowan, P. Boudreau, L. Foster, J. Derby, K. Simonetta, K. Garabrant, Captain D. Blanchette, E. Farhm, D. Anderson, R. Boudrieau, R. Florre.

Soccer was introduced to Peterborough High School as a competitive sport for the first time, in the fall of 1957. The Hilanders didn't fare too well in the winning column due mainly to the lack of experience. The enthusiasm was high, and a more successful season is inevitable for next year. Mr. Richardson's patience in teaching the boys the fundamentals of the game will be a big factor in determining the success of next year's efforts.



Cross Country



First row, left to right: T. Lowe, J. Sammet, E. Vose, R. Richardson, Standing: J. MacDonald, R. Craig, W. Greenie, Captain J. Abbott, J. Glazier, R. Springfield, Coach W. Richardson. Absent from photo: W. Caisse and P. Stromgrom.

For the first time in four years P.H.S. failed to win a single Cross Country meet. This was evidence of a temporary slump in the amount of first class material that we have had in the past few years. This should be remedied within the next year or two. The going was tough all the way but the team was very spirited, and the morale of the harriers was very high. Leading the Hilanders over the course were: Bill Caisse, Jerry Abbott, Bob Richardson, Bill Greenie, and Jim MacDonald.

Others on the squad were Ronnie Springfield, Dick Craig, John Sammett, Terry Lowe, Peter Stromgrom and Ernie Vose. Al Garand was manager.

The top performer on the squad was Bill Caisse. He placed seventh in the state meet at Durham...As a team the Hilanders fared well in the state meet by placing third out of seven teams.

Baseball

First row, left to right: R. Florre, G. Earley, G. Abbott, B. Russell. Standing: Coach R. Parent, M. Yakovakis, R. Craig, V. Klardie, D. Blanchette, R. Springfield, J. Burke.

The 1957 Hilander Baseball team once again played their home games twelve miles away from home. However, it is anticipated that the diamond in Peterborough will be completed for the 1958 campaign. The Hilanders played their home games at Memorial Field in Bennington as they have done in previous years.

The Hilanders didn't fare well in the winning column; they won two and lost eight. The lack of success was the cause of a weak infield and getting the timely base hit with men on base.

This season Coach Parent faces a rebuilding program after losing three of the starting nine through graduation. The outlook for the coming campaign is excellent with the advantage of six experienced players and a few good rookie prospects.

G. A. A.

First row, left to right: J. Quinn, S. Church, D. Earley, P. Buckley, G. Estonia, D. Carpenter, Miss Crossman, S. Bishop, K. Raisanen, J. Rajaniemi, P. Shea, M. Nichols, J. Stewart. Second row: S. Rainey, K. Clement, A. Rajaniemi, P. Daly, J. Richard, J. Latti, P. Flynn, M. Varnum, D. Buckley, J. Rainier, D. Daly, E. Aldrich. Third row: S. Lafferty, P. Taft, C. Anderson, N. Stockwell, C. Moore, M. Ceres, J. Worcester, C. Parrott, D. Wilder, L. Pellerin. Fourth row: T. Maki, C. Rossi, S. Sargent, B. Wheeler, C. Baker, L. Blanchard, B. Reynolds, V. Sampson, G. Harriman, B. Eva, R. Ludwig, S. Boyle, J. Paine, D. Curry, G. Lenane, J. Cashion, K. Wilder, B. Bunce, J. Knight, M. MacNutt.

During the past year the G.A.A. has been even more active than in previous years.

One of the main events held by the G.A.A. this year was a trip to the Ice Follies on February 21. Mrs. Faunce, Mrs. Rainier, along with Miss Crossman, were good enough to chaperone the girls to Boston.

A tobogganing party was planned for January 16, but was cancelled because of a big snowstorm.

At the beginning of the year an election was held to choose the officers of the G.A.A. They were: President, Gwenne Estona; Vice President, Diane Carpenter; Secretary, Sally Bishop; Treasurer, Kathy Raisanen; and Business Manager, JoAnn Rajaniemi.
